

BUG ID: BUG_005

Title: Relevant search results are not returned for exact product search

Module: Search Functionality

Severity: Medium

Priority: High

Environment: Windows 11 Google Chrome (Latest Version)

Preconditions: The product "Wireless Gaming Mouse" exists in the product catalog.

Steps to Reproduce: 1. Navigate to the application. 2. Locate the search bar. 3. Enter "Wireless Mouse" into the search field. 4. Submit the search. 5. Observe the search results.

Expected Result: Products that closely match the search term should be displayed. The product "Wireless Gaming Mouse" should appear in the search results and should rank above less relevant products.

Actual Result: The search results display unrelated or less relevant products such as "Wireless Keyboard," "Wired Mouse," and "USB Cable." The product "Wireless Gaming Mouse" does not appear in the search results.

Frequency: 100% Reproducible
